International Workshop “Progress in antimicrobial materials”

Iasi, Romania, March 30, 2017

“Petru Poni” Institute of Macromolecular Chemistry from Iasi, Romania, the coordinator of the EEA project „Improving Food Safety through the Development and Implementation of Active and Biodegradable Food Packaging Systems” - ACTIBIOSAFE, organizes an international workshop during the last technical meeting of the project. The project has received funding from the Romanian - EEA Research Programme operated by MEN under the EEA Financial Mechanism 2009-2014, Contract No 1SEE/30.06.2014. Some results from the project will be presented during the workshop.

We cordially invite you to this workshop to display your valuable recent R & D results in the field by oral and poster presentations. Deadline for abstracts submission: March 3, 2017.

Notification of acceptance: March 10, 2017.

The abstracts submission to: bmihai@icmpp.ro

The workshop is free of charge.

Venue: “Petru Poni” Institute of Macromolecular Chemistry
41A Gr. Ghica Vodă Alley, code RO 700487,
Congress hall, Iasi, ROMANIA

Organizing committee:

Dr. Cornelia Vasile – Project Coordinator (cvasile@icmpp.ro)
Dr. Raluca N. Darie-Nita – Project Administrator (darier@icmpp.ro)
Dr. Mihai Brebu (bmihai@icmpp.ro)
Dr. Raluca Dumitriu (rdumi@icmpp.ro)
Dr. Daniela Pamfil (pamfil.daniela@icmpp.ro)
